The current committee was established under Section 222 of the Public Health Service Act, as amended, 42 USC 217a. Each year, NACRHHS selects one or more topics upon which to focus during the year. approved on October 29, 2019, which will also stand as the filing date. Renewal of the NACRHHS charter gives authorization for the committee to operate until October 29, 2021.

A copy of the NACRHHS charter is available on the NACRHHS website at <https://www.hrsa.gov/advisory-committees/rural-health>. A copy of the charter is also available on the FACA database maintained by the Committee Management Secretariat under the General Services Administration.
